

Eccellenza Express

Brewing success... one cup at a time.

- Ideal for commercial applications (OCS, HRI, Public Environment)
- The choice is impressive, Eccellenza Café offers 68 selections ranging from gourmet coffee to specialty beverages: cappuccino, latte, mochaccino, etc.
- Every cup is freshly ground and brewed to perfection in less than 45 seconds.
- Make your coffee selection from among 3 brewing strengths and 3 cup sizes.
- Eccellenza Express espresso-style coffee will satisfy even the most demanding espresso lover.
- Hot water is also available for teas, herbal teas and soups.

- Continuous brewing of up to 100 individual beverages before refilling is required.
- Removeable drip tray to accommodate travel mugs and carafes.
- Machine interface uses Bluetooth wireless communication technology.
- Switch to vending mode at the touch of a button.
- Proven brewer technology reliability, with more than 708,533 units sold worldwide.
- Produces environmentally friendly organic waste; does not require paper filters.
- Maintenance is quick and easy.
